CHART # 1

b. = BORN
d. = DIED
M = MARRIED

Starting from left of chart in column marked 1 generation are the children of those listed in column marked 2 generations. Those in column 3 generations are children of those in column 2 generations. Those in column 4 generations are children of those in column 3 generations. Those in column 5 generations are children of those in column 4 generations. Those in column 6 generations are children of those in column 5 generations. Those in column 7 generations are children of those in column 6 generations. Those in column 8 generations are children of those in column 7 generations. Those in column 9 generations are children of those in column 8 generations. Those in column 10 generations are children of those in column 9 generations. Those in column 11 generations are children of those in column 10 generations. Those in column 12 generations are children of those in column 11 generations. Those in column 13 generations are children of those in column 12 generations. Those in column 14 generations are children of those in column 13 generations. Those in column 15 generations are children of those in column 14 generations. Those in column 16 generations are children of those in column 15 generations. Those in column 17 generations are children of those in column 16 generations. Those in column 18 generations are children of those in column 17 generations. Those in column 19 generations are children of those in column 18 generations.

Starting at column 5 generations the father of those in column 4 generations is #2, the mother is #3. Continuing across the chart every father's number is an even number, his wife's, his mother's plus one.

This chart was made in Jan. 1968, by Mary Virginia Amerman Scholey. b. 4-9-1908, daughter of Wm. Herman & Belle Amerman. The information contained in the first 4 columns was gathered from my sisters and brothers, nieces and nephews. From columns 5 and 6 - My parents' marriage & deed records, grave stones inscriptions. Column 6 thru 19 - From Charles Richard Amerman born March 8, 1880 on a farm, in Monroe Township, Colton County, Mich.
